

REMARKS

The following remarks are being submitted as a full and complete response to the Office Action dated May 12, 2009. In view of the following remarks, the Examiner is respectfully requested to proceed with examination of the application on the merits, to indicate the allowability of the claims, and to pass this case to issue.

Restriction Requirement

In response to the Examiner's restriction requirement set forth in the above-mentioned Office Action, Applicants hereby elect the continued prosecution of the invention identified as Species A1 as recited in claims 66-89, 102-105 and 110-119, without traverse. Applicants understand that all the non-elected species and their corresponding claims are hereby withdrawn from further consideration in this pending application. Applicants hereby reserve the right to file divisional applications on such non-elected inventions.

Conclusion

Favorable consideration of this application is respectfully solicited. Should there be any outstanding issues requiring discussion that would further the prosecution and allowance of the above-captioned application, the Examiner is invited to contact the Applicants' undersigned representative at the address and phone number indicated below.

Respectfully submitted,
